Atacama Immersion Chile

Atacama Immersion Chile® is an educational initiative focused on social development, integration and exchange. Through learning experiences and international collaboration, we seek to contribute to the integral formation of people, academic involvement, and links with the social and productive world.

ABOUT UCN

Universidad Católica del Norte (UCN), funded in 1956, has 60 years being one of the most remarkable universities in the North of Chile. With the aim of serving in the fields of teaching, research and extension, it was born thanks to the enthusiastic initiative of the priests of the company of Jesus, who fought with determination to realize this desire for the northern people: a University at the service of culture, sciences and development, but with full adherence to the Christian faith.

The Program includes
